Eternal. Everlasting. Without end. This is what it's all about. Our lives don't end at death. Our ministry doesn't end. The consequences of who we are and what we do will ripple down through the corridors of eternity. So what is your life about? Is it about right now? Is it about what happens after graduation? Or is it about FOREVER?

***“Oh that their hearts would be inclined to fear me and keep all my commands always, so that it might go well with them and their children FOREVER!” - Deuteronomy 5:29***
